

# PORSCHE

## The new 911 Carrera Technology & Production Workshop Plant Quality

# PORSCHE

The new 911 Carrera – Quality at Zuffenhausen  
product audit

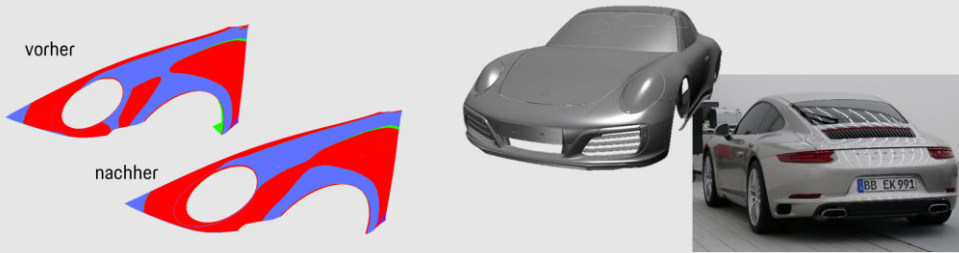

Vehicle audit is carried out by the most experienced employee.

# PORSCHE

The new 911 Carrera – Quality is not a matter of chance  
So product audit starts with design.

Auditing/advising on even digital concepts,

tool concepts, components and prototypes

and the pre-production vehicles
